

2010 Letter of Intent and Application Review Calendar

approved September 21, 2009

All information is based on CON Rules requiring that a Letter of Intent (LOI) be submitted at least **30** days in advance of an application. The Rules allow for Committee review on the first meeting day after the **70th** day after receipt of a **full** application (if a date falls on a weekend or holiday, then the last working day before is used instead). **Expedited** applications may be approved by the Committee once at least 42 days are allowed for balloting. The Rules also require that the new information deadline is **30** days prior to the Committee meeting.
